A Welcoming Space

WHERE BEAUTY, CREATIVITY, AND
PERSONALIZED CARE COME TOGETHER.

Hi, I'm Gianna Burdick, owner of Gigi's Atelier. I've had the privilege of being behind the chair for 14 years, and my love and passion for this industry continue to grow every day. For me, being a hairstylist is about so much more than creating beautiful hair—it's about building genuine relationships and making every client who sits in my chair feel seen, comfortable, confident, and cared for.

Whether you're an existing client or visiting Gigi's Atelier for the very first time, I can't wait to welcome you in, help you relax, and have you leaving feeling your absolute best.
