FACIAL RITUALS

A Restorative Ritual for Scalp, Skin & Senses.

Step into an immersive Japanese Head Spa experience created to restore the scalp, hair, skin, and senses. Each session is fully personalized and guided by what your scalp and hair need in the moment. From botanical blends to lymphatic massage techniques, everything is chosen with care to create a treatment that feels both restorative and grounding. My goal is to create an experience where you can truly relax, feel taken care of, and leave feeling lighter than when you arrived.
